New Business:

**DPW Employees/Hours:**

The village board discussed the recent changes made for the DPW part time employees and the working schedule. The previous approval hired Logan Steele on the date of August 24, 2021 and therefore the last day for Zachary Cunniff would be August 23, 2021. However additional workforce was needed to prepare for the sidewalk project. **Mayor Dewey made a motion to approve the starting date for Steele on August 23, 2021 and for Cunniff to remain until August 26, 2021 since he has taken another position, with Trustee Dennison seconded the motion. Vote: 3-0, all ayes. Motion Passed.**

**Sidewalk Project:**

Workers LLC will complete the replacement sidewalk as per specifications on Gates Avenue and Bridge Street (south).

The sidewalk on Bridge Street (north) is planned to be replaced as part of the mill project, slated for June 2022. Mayor Dewey requested DPW Ryan Campbell to cover the existing sidewalk with cold patch due to uneven surfaces in the meantime to provide a smoother surface.
